Testimony: Baby Healed of Skin Disease

Kevin and Kelly Burrow's hopes were coming true. In fall of 2012 they brought their first son home from the hospital. Nathan was a happy healthy baby with a great personality—at least for the first 8 weeks.

That's when his skin began to turn red, dry, and flakey. It was very itchy and when he scratched, his cracked skin bled. Nathan was miserable and he couldn't sleep, which made dad and mom miserable and they couldn't sleep either! They tried doctors, lotions, medications, dietary changes, listened to advice from friends and family, and received prayer from dozens of people, but nothing worked. Kevin and Kelly were in despair and feelings of hopelessness and powerlessness became a regular part of their lives.

In desperation they took Nathan to a Be in Health Conference in Philadelphia given by Dr. Henry. They received the teaching on the Father's Love. Kevin had never heard his earthly father tell him that he

loved him. How wonderful that he could go forward to receive the unconditional love of his heavenly Father!

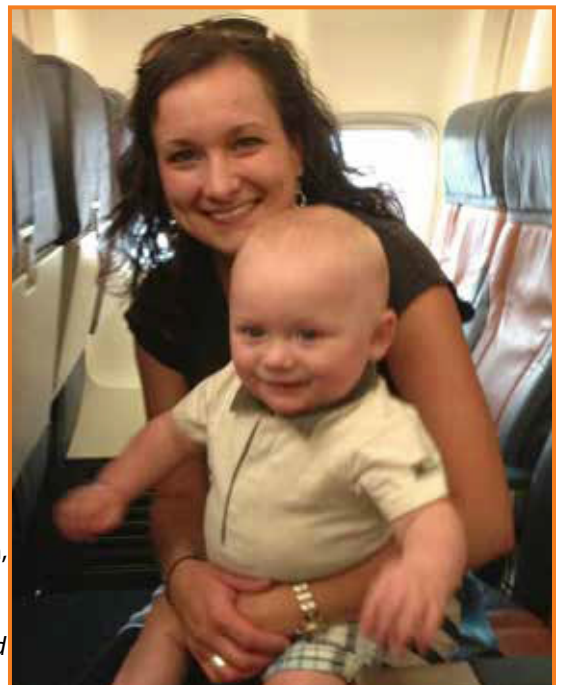

During the conference, Kelly recognized that she had been disappointed that Nathan was a boy instead of a girl and she repented. She and Kevin told Nathan that they loved him and wanted him. As priest of his family, Kevin laid his hands on his son and prayed for him. And Nathan began to heal.

Over the next several weeks Nathan's skin began to return to normal, healthy baby skin!

Kevin and Kelly took their son to For My Life course in Thomaston and dealt with more issues. As they did so, Nathan changed even more. His fun-loving, happy personality returned.

Kevin and Kelly continue to be amazed at how their journey of overcoming has brought freedom to their son, as well.

CITY OF REFUGE

In 2009 it was in Dr. Henry's heart to give away one entire For My Life program each year as a gift to those in need. He named it City of Refuge and decided to offer it in December of every year. Because of that vision and desire, we hosted our sixth annual City of Refuge in December 2014.

There were 245 people from 31 states and five foreign countries: Canada, Australia, Scotland, Northern Ireland, and Trinidad and Tobago.

Last year was the first time we gave our supporters (you) the opportunity to sponsor people for the City of Refuge. We were amazed, grateful, and inspired as many of our friends responded. Thank you! You made a difference in so many lives.

Here are some of the messages that attendees of the City of Refuge expressed in gratitude for your generosity:

"So thankful for this opportunity, and would have never been able to make this event if donors did not participate!" – Rose

"Thank you for your contribution to City of Refuge—I know this week has forever changed my life." – Jen

"After attending 4ML in the summer, I hoped my husband could attend with me. The cost of 4ML including lodging would have prevented us coming together. Thank you so much for helping to make this week possible for us and for our family for God's glory!" – Bonnie

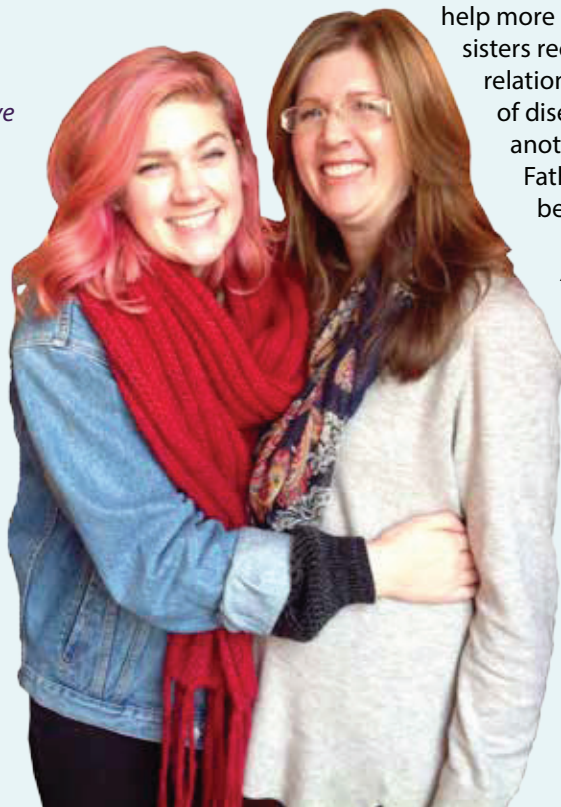

"Thank you for making it possible to gain the knowledge needed to restart being the spiritual leader over our home." – Benjamin

"Thank you for being a servant for our Father by giving of what you have been blessed with to further the kingdom of God." – Robin

These are just a few. When we compiled the messages into a single document, it was 8 pages long! By your gift, you have served your heavenly Father, you've represented the love of the Lord Jesus Christ, and you've been a doer of the Word. We trust the blessings of your obedience in this and other areas will overtake you!

This coming October you'll have the opportunity to sponsor someone who needs to hear these critical truths during City of Refuge 2015. Together we can help more of our precious brothers and sisters receive freedom from broken relationships and the hopelessness of disease. We look forward to another opportunity to serve our Father and ask you to even now, begin praying for a full house.

We had an amazing turnout in Dallas January 15-17th! Pastors Henry and Donna taught, led panel discussions, and ministered to more than 600 people! These were the highlights according to those who attended:

- *Hearing from Pastor Henry and his wife; knowing how they apply it in their marriage*
- *The safe environment in which to learn and honestly assess oneself*
- *Practical application!*
- *Authenticity of the speakers and Biblically sound teaching*
- *The format. Excellent mix of topics*
- *Loved the worship—it was a great way to start!*

Partner with us!

Very soon we will be introducing our brand new Be in Health website and the new Partners website. They are under construction now and we're creating the content we know will help you in your journey as an overcomer. The team here is very excited about the improvements. As soon as it's ready you'll receive an email.

If you're not yet a Partner, go to www.beinhealth.com and click on the <Partner With Us> tab at the top of the screen. It will take you to the sign-up page. You can try us out by signing up for a 1-month trial membership which is just \$1. Use the coupon code: *partner*.

Partnership Website User Tip:

Did you know that the Hope of the Generations Church services are recorded and the audio file is available on the Partnership Website? They are usually available on the website a few days after our Sunday service. Dr. Henry or one of the other pastors usually begin a church service with some really great teaching. Here's how to listen:

1. Log in to your partnership account using your username and password.
2. Click on the <Church> tab at the top of your computer screen.
3. The services are archived from the most recent all the way back to January 2012.
4. To play the file just click on the sideways triangle
5. Make sure the volume is turned up on your computer and you may also adjust the volume on the audio player by clicking the speaker button.

A couple of teachings you may particularly enjoy are 9/14/14 – "Hope is in the Fruit," by Pastor Scott Harper, and 2/23/14 – "Basic Doctrines of Christ" by Pastor Benny Parish.
