

LETTER FROM BOARD OF DIRECTORS

From the Board of Directors of Hope of the Generations Church and Be in Health® to our faithful co-laborers,

Precious in the sight of the LORD is the death of his saints. – Psalm 116:15

Surely a precious moment in the sight of the LORD occurred on Monday.

It is with a grieving heart that we share with you our beloved Founder of Be in Health and Senior Pastor of Hope of the Generations Church, Dr. Henry W. Wright, passed on to be with our Father and LORD Jesus Christ in heaven Monday, November 18th, 2019.

He passed while having a routine procedure when unforeseen complications arose. His passing is shocking and unexpected to us all.

However, in keeping with Dr. Henry's legacy and faith, we encourage you to focus on being grateful to the Father for his life and amazing heart of love. We also encourage you to rejoice that this faithful son has finished his course on earth well and is with his Father and LORD Jesus Christ.

We know for many of you reading this letter, your relationships and health have been radically transformed because of Dr. Wright's influence and ministry. His zeal to see mankind be restored to our Father through Jesus Christ was evident wherever he went. Today, there are countless lives ransomed from the enemy to the glory of God because of his life and ministry.

But perhaps some of the things that were most endearing about Dr. Henry was his laughter, the "Henryisms," his utter disdain for okra, and his longing that when God gives him a new name he would be called "Biscuit" (perhaps this has now come to pass!). His joy was contagious, and an encounter with him was always meaningful, and one you were not likely to forget. He will be greatly missed.

As the complications that caused his death were occurring, his wife, Pastor Donna, and the elders were praying fervently for a miracle. When he did not revive, Pastor Donna (Dr. Henry's wife) heard in her heart from the Father, "Henry is with me now. He's good. A team has been raised up to carry on, and they have been nurtured to carry on the vision".

Although Dr. Henry's passing was unexpected, it did not catch us off guard. For over five years, the Wrights and the Board of Elders have had a plan in place on how to carry Be in Health and Hope of the Generations Church into the future, and that is exactly what we will do. There is a world out there that needs God's love and power to defeat our enemy, and we will not stop now. Dr. Henry was passionate that the ministry he founded would not end with him, but would continue on in every generation until the First Resurrection. This desire was the primary thrust in naming the church he and Pastor Donna founded, "Hope of the Generations Church."

Dr. Henry was very active in raising up sons and daughters in the faith that could carry on the mission and vision of Be in Health in his absence. His wife, Pastor Donna Wright, will continue as the CEO of Be in Health and with the assistance of the elders and board members, will lead the amazing staff, volunteers, and supporters in continuing to establish generations of overcomers.

Dr. Henry's legacy will stand as a foundation for all we do at Be in Health and Hope of the Generations Church. Addressing the question, "What will you do now that he has passed away?" Our response is: "The same thing we did when he was alive!" Those here will be "hands-on" in getting the job done steadfastly, establishing the Kingdom of God just as Dr. Henry did for well over 30 years.

In 2020 we have even more of the life-changing For My Life® retreats scheduled than ever before. Our *Exposing the Spiritual Roots of Disease® Conference Tour* will travel to 21 cities to bring the knowledge, love, and power of God to cities in desperate need. We have set a goal of establishing 21 A.C.T.S. churches and gatherings in 2020 around the nation that will provide a safe place for people to grow in the power and integrity of the gospel.

So although we grieve and will miss Dr. Henry greatly, with your prayers and support, we know that God will continue to bring reconciliation and wholeness to mankind through Be in Health for generations to come.

Thank you for your prayers, and we exhort you to continue on in the things you have learned from Dr. Henry that have brought freedom to mankind all over the world and will continue to do so.

But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; – 2 Timothy 3:14

In lieu of flowers, join us in investing to propel Dr. Henry's vision into the future.

Blessings,

The Board of Directors of Hope of the Generations Church and Be in Health
