Healed of All My Diseases

Hello, my name is Aleah. I'm 28 years old and live in TN. I first came to Be in Health back in March of 2025. I had been sick with autoimmune diseases for many years prior. My mother and I were going to a Christian functional medicine doctor at the time. He recommends all his patients read Dr. Henry Wright's book, *Unloving*. We had been seeing the doctor for about two years before we read the book. My mother read the book first, and then she gave it to me.

As I read the book, I knew what I was reading was true. When I went back to my functional medicine doctor, my blood work had improved. I was taking several different vitamins and also eating a very healthy, mostly organic, strict diet. However, I believe that reading the *Unloving* book and coming out of agreement with unhealthy ways of thinking contributed to my improved blood work. My doctor asked about what I had been doing lately. I told him I read the *Unloving* book.

Next, I read Dr. Henry Wright's book, *A More Excellent Way*. This book helped me to see that I didn't think right. I read about the spiritual roots of autoimmune diseases, and it was all making sense. So, I watched YouTube videos of Dr. Henry Wright's teachings about some of my specific issues. I came across a woman giving a testimony of being healed. She shared how she didn't need organic foods and other things. She said she simply had to get rid of fear in her life. I was so excited while watching her video and wondered if it could be real. At first, I thought that because Dr. Henry Wright was no longer living, there weren't conferences anymore. But after watching that lady's video, I found the Be in Health retreats! I was sooooo excited! I told my mother about the retreat, and she said, "Let's go"!

The first day at the *For My Life Retreat*, I felt so much love and hope. Life had become so difficult. Many days I had to stay in bed with terrible dizziness, painful headaches,

a racing heart, and many more symptoms. My health had become so bad that I was not able to be in a store for even five minutes because of the fluorescent lighting. It would put me in bed for a week with COVID-like symptoms. I couldn't eat one bite of something that had sugar in it because it would also put me in bed for about a week with COVID-like symptoms. The *For My Life Retreat* was an answered prayer. A true miracle for me.

I am so, so thankful. My life is completely different now. My eyes were healed after the second day of the retreat, after the teachings on *Fear, Self-Pity*, and the *Father's Love*. I used to struggle with complaining very badly, and I feel that I was delivered from that. The way I complained and was critical in the past was an ugly addiction that felt automatic, and now it's not that way anymore. I have so much more peace. My patience has improved; I don't feel the need to control things the way I used to. I had so much healing, and things just keep getting better and better. I felt completely healed of all my diseases by the last day of the retreat. And I'm still healed today a year after coming to *For My Life*.

I'm incredibly thankful to all the teachers and staff who shared their stories, their time, and taught me Biblical tools to overcome the enemy in my life.

Psalm 103: 2-3 says, "Bless the LORD, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases".

The Bible is full of God's promises. We just have to find them and believe in them. All glory be to God.

Many people leave the *For My Life Retreat* being deeply impacted and forever changed, but then return to churches that don't believe God delivers and heals today. So, God gave us a vision to establish safe churches and gatherings worldwide so God's precious sons and daughters could find a refuge for healing and growth in the church.

We are A.C.T.S. Global—Association of Churches, Teaching, and Serving®. We are not a denomination, but an association of like-minded churches committed to establish the integrity and authority of the first-century church.

ARE YOU AN EXISTING CHURCH PASTOR, OR DO YOU RESONATE WITH THE BE IN HEALTH MESSAGE? OR IS IT POSSIBLE THAT GOD IS CALLING YOU TO BE AN ACTS PASTOR OR ELDER?

Check out our informational videos on actsglobal.com and pray about applying. The journey to restore and implement the first-century church's integrity and authority is for everyone who desires to serve the Lord and help others along the way.

A Letter From Our CEO

Dear Friends,

I'm often asked what kind of ministry Be in Health is. Most people assume we are a healing or deliverance ministry because that's what we are known for. However, I don't believe that's who we are. We often do see miracles of **healing and deliverance in our retreats and at our church**, but they are the *result* of what we truly are: a discipleship ministry.

When Jesus was on this earth, He had 12 disciples whom He called to follow Him. After His disciples had consistently observed His teachings and miracles for around a year, He sent them out and **gave them power over devils and to cure all manner of sickness and disease**. They went everywhere, preaching the Gospel and healing people.

¹Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases. ²And he sent them to preach the kingdom of God, and to heal the sick.
Luke 9:1-2 KJV

And they departed, and went through the towns, preaching the gospel, and healing every where.
Luke 9:6 KJV

Being Jesus' disciple was the only training they had for learning how to minister. They had previously been fishermen, farmers, and a tax collector. But for a year, they lived with Jesus, patterned their lives after Him, and most of all—they had a personal relationship with Him. And God did many signs and wonders through their hands.

Personally, I have decided that I want to be a disciple of Christ. I don't just want to be a Christian; I consider that to be the bare minimum. Instead, I want to take part in the lifelong learning process of having a relationship with Jesus, reading His Word, and being obedient to His Word by applying myself to being more like Jesus. I also want to help others **become disciples of Christ. I don't want anyone to become my disciple, Henry Wright's disciple, or Be in Health's disciple**. I want to point people to Jesus and encourage them to be more like Him—because that's what Jesus taught His followers to do.

That's why I say that discipleship is really what we do at Be in Health. Coming to a *For My Life Retreat* or a regional conference is where many people are introduced for the first time to a real relationship with the Father and Jesus. Joining the OC Partnership and participating in weekly discussions is where the application of His Word happens, and where people deepen their understanding of His Word. Some people feel led to form an A.C.T.S. Church where they can help disciple others. This ongoing journey is our model for establishing disciples of Jesus. It's our practical way to accomplish what we see in Scripture.

The amazing thing is that as people are formed into Christ's image, we get to see miracles happen in their lives. Be in Health is known for helping people find healing and deliverance, but that is just the

evidence that we are His disciples and being obedient to Jesus' command to make more disciples.

Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.
Matthew 10:8 KJV

¹⁸ And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. ¹⁹ Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: ²⁰ Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.
Matthew 28:18-20 KJV

We are privileged to witness **the world being transformed through Jesus' pattern of discipleship.** You are an integral part of this movement at Be in Health; thank you for partnering with us. Together, we can make disciples of Jesus and see His healing power poured out on the earth.

In Service of Him,

Pastor Scott Harper

A Word From Our Founder

Dear Friends,

Henry spent much of his time teaching apologetics for what he saw in Scripture about the Spiritual Roots of Disease®. He constantly taught on *why* he believed what he believed. Through his teachings, people saw the connection between sin and disease. Over time, **Spiritual Roots of Disease became so accepted that many people believe and teach about it now.** Henry was a pioneer, and I'm still amazed at how God used him in his goofiness to break the barriers of our understanding of sanctification and healing.

Spiritual Roots of Disease have always been at the heart of everything we teach at Be in Health; yet **the state of the world has shifted dramatically in the past few years.** What we see now in healing and disease prevention isn't what we saw years ago. We are watching new diseases emerge and greater iniquity manifest. The environment we find ourselves currently in is seemingly unrecognizable from what it previously was. Because of this, we can no longer rely on what we knew and did previously in ministry. We need to constantly look to God as our Source for help to bring people freedom from what they are facing in the world today.

I'm often reminded that Jesus said we must be **like new wineskins that God can pour His new wine into**—wineskins that are moldable and pliable for His purposes. Following God is never a formula, and neither are Spiritual Roots of Disease.

And no man putteth new wine into old bottles: else the new wine doth burst the bottles, and the wine is spilled, and the bottles will be marred: but new wine must be put into new bottles.
Mark 2:22 KJV

Trusting in God and walking by faith was always Henry's heart and vision for Be in Health. He would have been pleased with the changes made to *For My Life* and *Walk Out Workshop* in 2025—because **the retreats were restored to what he originally intended** when he used to teach people one-by-one. Henry would also be thrilled with the **deeper understanding of iniquity that God has graciously given us over the past few years.** He always believed that our teachings on walking out of iniquity and into righteousness were the teachings of the Millennium. Right now, we have the opportunity to practice obedience to God's Word which will help us be ready for what's to come.

I've never been more excited about understanding iniquity because I have personally seen how the fruit of **walking in righteousness has affected our generational lines** of kids and grandkids in recent years. In his lifetime, Henry had to wonder about the fruit and continue on in faith. But I have been able to see a few more years of the long-term fruit in our generations as they have grown up in the teachings of Be in Health—the teachings of the Bible. I have watched our family and the families in our church change the direction of where they would have been headed if it

weren't for God and His Word. Seeing the changes in our generational line motivates me to keep moving forward when days are difficult. **The long-term fruit of His Word is the opposite of iniquity** and is truly the "hope of the generations" that Henry believed for.

I believe there has never been a more **important time to know God and walk in obedience to His Word, moment-by-moment.** I pray every day that God will order my steps. And I pray that iniquity does not have dominion over me and my generations. I encourage you to pray the same!

*Order my steps in thy word: and let not any iniquity have dominion over me.
Psalm 119:133 KJV*
